MECKS FAVORS MR. GLASSCOCK

Writes a Strong Letter from His Ohio Home Praising the Nominee.

The writer of the following letter formerly resided here and has many friends in Clarksburg, who will be interested in the elegant tribute he pays to Hon. William E. Glasscock, Republican nominee for governor:

"I beg to acknowledge receipt of lithograph of your next governor, the Hon. William E. Glasscock, and wish to say it will not decorate a window pane but will find a prominent place among my most cherished possessions, not on account of his being the Republican candidate for governor of West Virginia, but because I well remember him when I was a resident of Morgantown, how he always had a kind word for all regardless of their financial or moral standing, how he through his kindness and advice has helped to elevate the younger generation of Morgantown to a higher standard of life.

"When I stop to enumerate the good deeds of this West Virginia's noble and worthy citizen it is hard for me to realize that there could be other than an unanimous vote cast for him in Monongalia county.

"During a campaign it is customary for the opposition to hunt up all of the unfavorable circumstances connected with a candidate's past life, (and there are few indeed, who escape having some truth either large or small forced upon them, but no man can point out a single act detrimental to the character of William E. Glasscock, and I am of the firm opinion that God himself could not find a blemish.

"I enjoy very much reading the reasons given why he should be elected and while they are all good and sufficient, the most prominent reasons are given by George D. Heaton, of Parkersburg. The white flower of a blameless life is his.

"W. G. MECKS.
New Philadelphia, O., Oct. 9, 1908."

MINERS MEET

To Make Up a Scale to Be Submitted to Coal Operators.

SCRANTON, Pa., Oct. 12.—A convention of mine workers from three anthracite districts of the United Mine Workers of America began here today for the purpose of formulating demands to be presented to coal operators shortly before the expiration of the present three year agreement. The agreement will expire April next. It is believed the miners will not ask for a general increase of wages. An eight-hour day for all employees, it is said, will be one of the principal demands.

STALLINGS PLEASED

Predicts a Large Majority in His Own County for Glasscock.

WHEELING, Oct. 12.—Hon. A. Robert Stallings, member of the house of delegates from Tucker county, who was candidate for attorney general on the Lincoln Republican ticket, expresses himself as well satisfied with the present political situation in West Virginia. He says: "I am well satisfied with the settlement of our political differences and with the nomination of Mr. Glasscock. In my own county of Tucker, the Republicans are supporting the ticket enthusiastically and a large majority will be cast for it.

"Personally, I took an active part in the Lincoln movements not for personal motives, but because I believed it to be a righteous protest against evil practices which were being tolerated. The results attained are eminently satisfactory and, I believe, insure Republican harmony and Republican success."

LOSES HER SUIT

Mrs. Rosa Stump Fails to Obtain a Judgment Against Her Grandfather.

Mrs. Rosa Stump lost her suit for \$10,000 damages against her grandfather, the Rev. Daniel Huffman, in Gilmer county, in federal court Monday, for alleged defamation of character, namely, that he accused her in a letter to her of forging his name to a note for \$125. The defense contended there was no malice and that the letter was not a publication and therefore there had been no defamation. It asked the court to exclude the evidence. This was done and the jury was instructed to return a verdict for the defendant.

In the afternoon the trial of the damage suit of Ira C. Post for \$20,000 against the Western Maryland railroad, for injuries sustained at Elkins, when a freight car side-swiped a passenger coach he was in, was begun.

BITTEN BY COPPERHEAD.

The lateness of the season has not eliminated the activity of the copperhead snake, as shown by the fact that Dewey Daugherty was bitten on the Goff farm last evening by one. He and Richard Stealey were together. The latter stepped on the snake's tail and it plunged its fangs into the Daugherty boy's ankle. The Stealey boy carried the other home, and the bite was treated.

INTERESTING FACTS

Sturm & Wilson, Druggists, Offer to Cure Catarrh—The Medicine Costs Nothing if They Fail

When a medicine effects a cure in 98 per cent of cases, and when we offer that medicine on our own personal guarantee that it will cost the user nothing if it does not cure Catarrh, it is only reasonable that people should believe us, or at least put our claim to a practical test when we make all the risk. These are facts which we want the people of Clarksburg to substantiate. We want them to try Rexall Mucuo-Tone, a medicine prepared from a prescription of a physician whose specialty was catarrh, and who has a record of thirty years of cures to his credit.

We sell more bottles and receive more good reports about Rexall Mucuo-Tone than we do of all other catarrh remedies sold in our store, and if more people only knew what a thoroughly dependable remedy Rexall Mucuo-Tone is, it would be the only catarrh medicine we would have any demand for.

Rexall Mucuo-Tone is quickly absorbed and carried by the blood until it thoroughly disinfects and cleanses the entire mucous membranous tract, destroys and removes the parasites which injure and destroy the membranous tissue, soothes and heals the irritation and soreness, stops the mucous discharge, and builds up strong, healthy tissue, relieves the blood and system of diseased matter, stimulates the mucous cells, aids digestion and improves nutrition until the whole body vibrates with healthy activity. In a comparatively short time there is a most notable gain in weight, strength, good color and feeling of buoyance.

We urge you to try Mucuo-Tone, beginning a treatment today. At any time you are not satisfied, simply come and tell us, and we will quickly return your money without question or quibble. We have Rexall Mucuo-Tone in two sizes, 50c and \$1.00. Sturm & Wilson, Druggists, Main street, Clarksburg, W. Va.
